

Career Path Worksheet

Individuals have several options to pursue to achieve their long-term goals. Different career paths can lead to similar career goals, like different geographic paths to the same map location. You can move through the worksheet from top to bottom or bottom to top, but spend time on each section:

1. Your current strengths, knowledge, skills, and experience (bottom)
2. Long-term goals and the knowledge, skills, and experience needed (top)
3. Immediate career options and the knowledge, skills, and experience needed (middle)
